The Lee Building Industry Association, a non-profit organization representing Lee, Hendry and Glades Counties, is a powerful voice for the building industry in the regulatory arena. It is a resource for technical assistance, information and educational services. Membership in the Florida Home Builders Association (FHBA) and the National Association of Home Builders (NAHB) is automatic upon joining the Lee BIA. These combined memberships provide a seamless, constant flow of information—at the State and National levels—to the local office and directly to the membership, providing status on pertinent actions affecting the industry. For more information on membership and our various programs available to you, please visit [www.bia.net](http://www.bia.net).
