

2nd Workshop on the Construction and Demolition Debris Recycling Ordinance Planned

What: 2nd Construction and Demolition Debris Recycling Workshop

Where: Lakes Regional Library (15290 Bass Rd. [at Gladiolus Dr.]).

When: May 28th, from 12:45-2:45pm

Event will include a brief summary of the Mandatory Business Recycling Ordinance (Ord. 07-25) as it relates to construction and demolition projects plus provide additional new information since the last workshop (March 19th) followed by a question and answer period with Solid Waste division staff.

Projects in unincorporated Lee County that pull permits after January 1st, 2008 and are not completed until after June 1st, 2008 are subject to the recently adopted Mandatory Business Recycling Ordinance (Ord. 07-25). This Ordinance requires that at least 50% of construction and demolition debris be recycled or diverted (reduced, reused, etc.) from disposal.

See the Solid Waste Division's website at:

http://www.lee-county.com/solidwaste/Autopage_T1_R123.htm

for more information on this Ordinance as well as required forms and lists of approved facilities. You can also contact the Solid Waste Division at **338-3302**.
