The Sawgrass model is part of Lennar Homes' Classics Collection of luxurious estate homes at Bella Terra. The Sawgrass' interior showcases a spacious and comfortable design, while its exterior draws inspiration from beautiful northern Italian style architecture. This four-bedroom/den/three bath home offers formal living and dining rooms, as well as an informal family room and a breakfast nook off the large open kitchen. The master suite features an elegant sitting room perfect for reading and relaxing. No fewer than three sliding glass doors access the screened and covered lanai, seamlessly merging the home with its outdoor environs to take full advantage of the year round Florida lifestyle.

Directions: I-75 to Corkscrew Road. Head East 3 miles and the community is on the Right hand side.
